

LETTINGS POLICY

We are guided by God who is at the centre of everything we do.

We support each other to be the best we can be to secure bright futures for everyone.

With our parishes, families and the community, we work together to create a school that is safe, happy, respectful and inspirational.

- 1. The Governing Body actively encourages community use of the school buildings. However, it reserves the right to refuse any lettings it may choose.
- 2. The hirer must be willing to meet with school officials and provide details of their aims and objectives.
- 3. The Governing Body will ensure that the school budget does not subsidise non-school activities and that all costs are recovered. Charges will be reviewed annually by the Governing Body.
- 4. Each hirer using the school will be required to nominate a contact person. Such a person is deemed to be in charge and able to investigate any difficulties which may arise.
- 5. The Governing Body will determine if a nominated person from school is required on site when the premises are being used. If not, a responsible person must be on call.
- 6. A Letting Application / Indemnity Form must be completed by all applicants. A signed copy of the application form, if approved by the school, will be returned to the hirer. For long term lettings application forms will be reviewed on an annual basis.
- 7. No lettings will be approved giving the user exclusive possession. (note: this is a legal requirement, not to be confused with a sole letting)
- 8. Any hirer that uses the school must be adequately insured (with a minimum of £5m public liability insurance) and insurance documents must be attached to the application.
- 9. All hirers must comply with health and safety legislation.
- 10. The Governing Body will ensure that appropriate arrangements are in place to keep children safe during the hire of school premises and facilities. Organisations submitting an application that involves working with children and/or young people will submit a signed copy of their current Child Protection and Safeguarding Policy. The Headteacher will ensure there are arrangements in place to liaise with the organisation on these matters where appropriate. The hirer is responsible for ensuring that all safeguarding checks have been completed for all employees who may be on site during the letting. Please see Appendix C
- 11. Arrangements for the payment of each letting will be made in advance with the hirer concerned.
- 12. Smoking is not allowed on the premises in line with school policy.
- 13. Alcoholic Drinks
 - a. An occasional licence must be obtained where appropriate. The Licensee is responsible for conduct of bar sales, etc.
 - b. No alcohol is to be stored or retained on the premises when pupils are in school.

SAFEGUARDING

St Mary & St Andrew's Catholic Primary School are committed to safeguarding and promoting the welfare of children and young people and expects all hirers of the school premises to share this commitment.

Each application will be vetted by the Business Support Manager, taking advise from the Designated Safeguarding Lead (DSL) as appropriate and any concerns will be reported prior to approval.

When determining whether to approve an application; the Headteacher will consider the following factors:

- The type of activity
- · Possible interferences with school activities
- The availability of facilities
- The availability of staff
- Health and safety considerations
- The Governing Body's duties with regard to the prevention of terrorism and radicalisation
- Whether the letting is deemed compatible with the ethos of the school

An application will not be approved if it:

- · Is aimed at promoting extremist views.
- Involves the dissemination of inappropriate materials.
- Contravenes the statutory Prevent duty.
- Is likely to cause offence to public taste and decency (except where this is, in the opinion of the Governing Body, balanced or outweighed by freedom of expression of artistic merit).

Where an individual group is found to be promoting views in contravention of the Governing Body's Prevent duty, the person or group is guilty of an offence, under the Education Act 1996, the Head Teacher will contact the police who will remove the person or group from the premises.

In the event that facilities staff or volunteers believe that a child is at risk of harm during a letting they must:

- Make an immediate referral to the school's Designated Safeguarding Lead or Deputy DSL if the incident occurs during normal school opening hours.
- If anyone believes a child is suffering or likely to suffer from harm and/or is in immediate
 danger outside of school hours and the school's DSL or Deputy DSL is not immediately
 available then the staff member must make a direct referral by calling the Lancashire
 Safeguarding Team 0300 123 6720. Out of hours call 0300 123 6722. If you think a child is in
 immediate danger don't delay, call the police on 999.

If an emergency referral is made by an individual, they must ensure the school's DSL or Deputy DSL is informed as soon as possible after the incident.

The responsibility for ensuring that safeguarding measures are in place rests with the hirer rather than the school. Where the hirer indicates that they will be working with children, they will be required to provide confirmation of the following for all employees who may be on site during the letting.
